FPP Review 4Q15

2,500 apartments sold

Internal lake, green areas, and playground area in Ostoja-Wilanów, Warsaw (January 2016).

FPP. The Firm

FADESA POLNORD POLSKA (FPP).

FPP is a real estate developer deeply rooted in the Polish local market. FPP has been present in Poland since May 2005, focusing on the construction of medium to high-standard apartments. The company has two shareholders: Spanish MARTINSA-FADESA (51% interest) and Polish POLNORD (49% interest). The company operates in Warsaw and Wroclaw. As at 31 December 2015, FPP had sold 2,567 and delivered 2,366 apartments. In the last seven years, the average annual sales revenues totalled 150 million zloty. The financing for FPP projects is provided by PEKAO S.A. and GETIN NOBLE S.A. banks.

- Follow-up on customer claims, if any, relating to apartments.

Legal Back Office.

Financial Services.

- Financing for projects.
- Financial management.

Accounting Services.

 All accounting work handled at the FPP Head Office in Warsaw.

Interior Design management.

 Management of conversions in units if requested by customers.

Case Study: FPP Model

Under FPP's current model, 85% of residential units are sold during the construction period. As soon as the construction is complete, 85% of units are delivered within 60 days of obtaining the (final) occupancy permit. Final sales agreements are signed within 60 days of the delivery of the apartment.

FPP has successfully applied the model to all the projects since 2009, that is for the total of 11 projects (1,257 apartments): three in Warsaw, Ostoja-Wilanów, building C3 (262 residential units, 2009-2011), building C4 (324 apartments, standard part - 170 units, 2011-2013), and building B4 (136 residential units, 2014-2015); eight in Wroclaw, Osiedle-Innova, stage I (71 residential units, 2010-2012), stage II (70 units, 2011-2012), stage III (96 units, 2011-2012), stage IV (92 units, 2012-2013), stage V (92 units, 2012-2013), stages VI and VII (112 units, 2013-2014), and Osiedle-Moderno (158 residential units, 2014-2015)

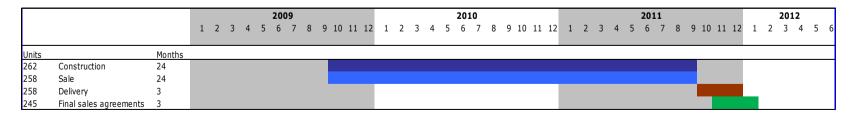

The gross margin (business plan) of at least 20%-25%.

Case study: building C3 (262 units, October 2009 - December 2011), Ostoja-Wilanów (Warsaw).

The data below shows FPP's 2011 performance. In total: 453 presales, 397 deliveries, and 411 final sales agreements. As indicated above, the model was repeated 9 times afterwards. In order to meet the above targets for building C3 (262 units) in Ostoja-Wilanów (Warsaw), FPP sold 9.8 units monthly during the construction period, delivered 7.15 units daily, and signed 5 final sales agreements (as notarial deeds) daily during Q4 2011. The promotion for building C3 in Ostoja-Wilanów involves a 262-apartment residential building located in Warsaw (Wilanów District). Ground was broken in October 2009, following the 2008 financial crunch. The building is located in an area (Miasteczko Wilanów) where several of FPP's competitors also operate.

Similar performance figures have been achieved as recently as in October - November 2015 with the completion of building OSIEDLE-MODERNO (158 apartments) in Wroclaw. The plot of OSIEDLE-MODERNO had been bought in the spring of 2012, construction was successfully completed on 30 September 2015. As at 1 October 2015, 90% of the apartments had been sold.

CONCLUSION: WITHIN A PERIOD OF 42 MONTHS, we achieve a return on our investment (from project concept to delivery of units to customers).
